TelstraClear Terms and conditions:

All offers are available to new residential customers only. TelstraClear residential terms and conditions apply for all products. To receive any of the special offers customers must quote "SeniorNet offer" upon joining.

HomePlan: If you have chosen to transfer your line(s) to TelstraClear, from another service provider, you are also authorising us to transfer all associated services - that can be transferred to TelstraClear - to TelstraClear, including your direct dial calling. If you stop direct dialling with TelstraClear, we may charge you an additional \$5 per month line rental. Your line rental discount (if any) is calculated monthly based on your previous month's calling with us (excludes directory assistance, special number calls and calls with other service providers) and cannot be carried over to a future month. The discount (if any) on your first month's line rental will be calculated on your calling spend with us from the time your line is activated with us until your first bill with us for line rental services. If you have more than one home phone line with us, your line rental discount (if any) will apply to one line only per account. TelstraClear HomePlan™ is not available in all areas or in TelstraClear cabled areas. Pricing may vary in different geographical areas. HomePlan™ terms and conditions apply.

PDQ Broadband: A 12-month minimum term applies to all PDQ plans. If you terminate your PDQ plan before that you will be charged a \$99 cancellation fee. Maximum upload and download speed means you will receive the highest speed your PDQ connection can deliver. PDQ Broadband is only available to residential customers. Various factors will affect the speed of your broadband connection - see www.pdq.co.nz for more details. PDQ terms and conditions apply.

4 Hours of free national calling: A 6 month term for PhoneLine and direct dial toll calling applies (with a \$30 charge for early termination). Free minutes exclude calls to special numbers (eg 018, 0900), Card calls, operator assisted calls and calls to and from mobile phones. Calls to New Zealand landlines in excess of the 240 free minutes will be charged as per your pricing plan. Calls are rounded up to the nearest minute. Promotion is not available to Kiwi Yak Pak customers.

60 Free Mobile Minutes: A 6 month term for PhoneLine and direct dial toll calling applies (with a \$30 charge for early termination). Calls to New Zealand mobiles in excess of the 20 free minutes per month will be charged as per your pricing plan. Free minutes can not be carried over from month to month. Calls are rounded up to the nearest minute. Promotion is not available to Home to Mobile Yak Pak customers.
